Dear Dr. Hersh:

The Scientific Director and CTR's staff have discussed your request for partial support of the Conference named above. The program contains topics of interest to the Council, and the list of speakers ensures the scientific quality of the meeting. I am pleased to inform you that we will make a contribution of \$2,000 to help defray in part, the costs of the Conference. A check for the noted amount payable to Summer Neuropeptide Conference is enclosed for your attention.

It would assist us in our record-keeping, if you would send us a written acknowledgment of this contribution. We request only that these funds not be used to reimburse expenses incurred by participants from the industrial sector.

Sincerely yours,

George A. Hashim
